CHAIRMAN'S MESSAGE

I must confess...I am intrigued with our country's infrastructure. Many roads and bridges are in dire need of repair, but generally, our country has very good interstates and bridges on which we ply our trade. President Eisenhower was taken with Germany's Autobahn during WWII and instigated our own interstate system in 1956. Our trucking industry quickly took advantage of and thrived on such a monumental achievement. Numerous mountains and rivers were made passable more easily, and bridges spanning previous impediments over waterways and railroad tracks allowed our industry to carry freight where railroads couldn't.

I have utmost respect for civil engineers who tackled and overcame the obstacles as they built our interstate system. The next time you are bored as you are driving on smooth, passable, speed-steady roads, notice how fortunate we all are to be able to truck in this era. How did our predecessors do it before? Now we simply have to renew our efforts to educate even more four-wheelers on how to act safely around eighteen wheelers!

On another subject, I was honored to be seated with Myron Rau at a November 9th awards luncheon celebrating South Dakota Highway Patrol officers. Myron, our organization's esteemed leader, and former SDHP captain, was the featured speaker. Myron is highly respected by the SDHP officers, because they know that he knows of what their days consist. As Colonel Miller announced the annual awards to our state's patrol officers and port personnel, I was impressed with the quality of these good men. Their jobs might be seen, at times, to hassle our work days, but in reality, they are out there, during all hours, (as we are) to keep us all safe, whether from other motorists' stupidity, or road hazards, or unsavory individuals. Thanks to them and congratulations to the winners. (see pages 13 and 15 for more information about the event).

I am personally inviting all SDTA members to attend the Winter Board meeting on Monday, February 8th, Pierre Ramkota River Center, 1:00 PM, followed by the Winter Reception with Legislators at 6:00PM. I hope to see you there, and as always, stay well, stay safe, and "keep it between the ditches"!

PRESIDENT'S MESSAGE

Well, here I am again, living at my “Winter Camp” in the capitol city. You all know that representing your interests to the state legislature is a highlight of my year. Believe it or not, 2021 marks my 30th consecutive year of lobbying the state legislature. All that said, I still believe that happiness is Pierre in the rearview mirror.

At this time in the legislative session, everyone is still smiling and shaking hands. It will not take too much time and legislators and lobbyists will dig in and fight for their causes. It is still too early to predict how many bills will be up for consideration and, more importantly, how many will have an effect on your life and your business. I do believe we will be spending some time talking about medical and recreational marijuana.

This session will definitely be different due to mask mandates and other COVID related issues. On my part, I ordered 40 masks thinking that a mask a day will keep the doctor away. I know, I stole that saying about apples but it seemed appropriate. Masking and social distancing probably will have an effect on attendance at our social event with legislators that is scheduled for February 8th. Please join us if you feel comfortable to do so.

As in past years, I will be walking the halls of the state capitol attempting to represent your interests every day the legislature meets. If you need to contact me, please call your SDTA Office and the staff will make sure I get a message to call you. Please attentively watch your email during the legislative session because that is the way I will keep you informed about what is going on. If necessary, I will also be using email to ask for any necessary grass roots lobbying help from individual members. Remember, we are all in this together!

Watch for my weekly updates that will be coming to you by email. As you peruse the bill list, if something is confusing or you want to give me some input, please contact me. I am always willing to visit with a member; a great break from the continual daily conversations I have with lobbyists and legislators.

Stay safe, stay healthy and think spring! Until next month...

SINCERE CONDOLENCES...

Eugene Hanson

August 2, 1936 - December 18, 2020

Eugene Hanson, 84, of Faulkton, passed away Friday, December 18, 2020 at the Faulkton Area Medical Center.

Funeral Mass will be 10:30 a.m., Wednesday, December 23, 2020 at St. Thomas Catholic Church, Faulkton with Father Christopher Hughes, celebrant. Visitation will begin at 9:30 a.m. and a rosary will be prayed at 10:00 a.m. at the church. Burial with military honors will be at St. Thomas Cemetery, Faulkton. Masks are highly encouraged at the service.

Eugene was born August 2, 1936 to Tilman and Edna (Grimm) Hanson in Burkmere, SD. He attended Latham Country School until the 8th grade. He worked for various farmers and Sappy Wilhelm until he enlisted in the Army in 1956. He was stationed in Germany.

On June 7, 1958 he was united in marriage with Margaret Eleanor Neilan. To this union four children were born, Timothy David in 1958, Dawn Renee in 1959, Bradley Eugene in 1961 and Wayne Alan in 1964. They made their home in Faulkton.

Eugene had a strong work ethic and continued to go to work every day until his passing. In 1958, Eugene purchased his first backhoe. Vernon Lehman Sr. worked with Eugene this first year. In 1959, his brother Roger and he went into business together until 1982, when Eugene bought Roger out. Eugene continued the business with his son Brad, later adding more family to the business and incorporating in 2005 to form Hanson's Inc.

Eugene saw the good in everyone and could strike up a conversation with anyone. He could be found rolling dice with the coffee boys every morning and afternoon at BerMac. He loved his family and enjoyed when the grandkids would come to the shop and visit. Eugene was a member of St. Thomas Catholic Church and VFW Post.

He is survived by his children: Timothy Hanson of Box Elder, Dawn (Roger) Redden and Bradley (Wanda) Hanson, all of Faulkton, and Wayne Hanson of Watertown; grandchildren: Tyler, Turner, Todd (Kayla) and Brady Hanson, Kayla (Slade) Roseland, Kacee and Katie Redden, Kayleen McGrath, Brandi Jo and Logan Hanson; ten great-grandchildren; sister, Peggy Schiedel of Yankton; and numerous nieces and nephews and his cat "Puppy".

Eugene was preceded in death by his parents; brothers: Roger, Rockne, and Nels; wife, Margaret in 1989; and grandson, Kyle Redden.

Myron Rau, Inspector Curt Blasy & Colonel Rick

Inspector of the Year: Inspector Curt Blasy started his career a state trooper in March of 1983 until his retirement as a First Sergeant in May 2006. He started as a motor carrier inspector at the Sioux Falls port of entry in January of 2014 and was promoted to master inspector in 2019.

Inspector Blasy works extremely hard, leads by example, and conducts very thorough roadside safety inspections on commercial motor vehicles. During the 2019 evaluation year; Inspector Blasy completed 101 level one inspections. This is 3 times the level one minimum standard for a District Four Motor Carrier Inspector.

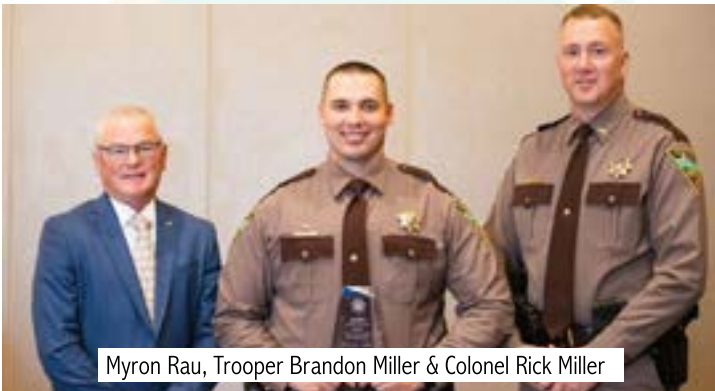

He also completed 114 level two walk-around commercial vehicle inspections, 279 paperwork level three inspections, and 16 level four special study inspections. In total, Inspector Blasy completed 510 Vehicle Examination Reports (VERs).

Inspector Blasy always completes very thorough commercial motor vehicle and driver inspections. He discovered a total of 679 safety violations; 158 of which placed the driver/vehicle out of service. During his 30 hazardous materials inspections; he discovered 19 hazardous materials violations. Inspector Blasy also addressed and wrote 29 seatbelt citations to commercial motor vehicle drivers.

During the 2019 evaluation year, Inspector Blasy tested (both written and practical) and was promoted to a Master Inspector position in District Four.

Inspector Blasy also helps promote safety by providing public education. He logged a total of 77 public education hours. He worked safety booths at public events and provided safety talks to South Dakota motor carrier companies to provide information to them to improve safety and prevent commercial motor vehicle crashes. Inspector Blasy also takes a lead role in completing school bus inspections across South Dakota.

Inspector Blasy also helped serve his community by participating the Workers on Wheels Rake the Town event in Sioux Falls, Special Olympics Plan Pull Event, and the Special Olympics Truck Convoy.

Myron Rau, Trooper Brandon Miller & Colonel Rick Miller

Trooper of the Year: Trooper Brandon Miller has been with the Glacial Lakes Squad since he came on the patrol in 2015 and has been a consistent high performer each year.

Trooper Miller's determination and dedication to apprehending impaired drivers and removing them from our roadways is stellar. He has always had a knack for finding and arresting impaired drivers, especially after detecting and recognizing drug impairment indicators. Trooper Miller believes he can make a difference each day he comes to work to help curb the drug problems that are present in the Glacial Lakes Squad area to include the current meth use concerns.

Trooper Miller is the go-to-guy for safety presentations for the Glacial Lakes Squad. Brandon truly enjoys participating in safety talks to include driver's education, after school events with children, or assisting local agencies with their activities and programs.

Trooper Miller takes to heart the value and importance of the highway patrol being the assisting agency for all our law enforcement partners across the state. He routinely assists other law enforcement agencies within our squad and has a close working relationship with the Sisseton Wahpeton Oyate Tribal officers and the Day County Sheriff's Office in his duty station of Webster.

In the spring of 2019, Brandon was honored by the Game, Fish and Parks Conservation Officers by being the recipient of their "Cooperator of the Year" award. This award is voted on by the GFP officers for those out of agency individuals who assist them on a regular basis and help them make a difference as they perform their duties.

Trooper Miller was also the deserving recipient of an American Legion life-saving award for a previous incident that occurred in Day County involving a driver who crashed and rolled over in a slough.

Brandon is a proud member of the agency's honor guard team, a mobile field force trooper, Drug recognition expert and a Taser instructor. Trooper Miller is an excellent example of what it takes to have complete buy in to fully support our agency and to aid in the success of our agency's highway safety mission.

The overall winner awards are sponsored by EpicVue and TruckRight.

To be considered for the Best Fleets program, companies operating 10 or more trucks had to receive a nomination from one of their company drivers or owner operators. The fleets were then evaluated using a scoring matrix covering a variety of categories, including total compensation, health benefits, performance management, professional development, and career path/advancement opportunities, among other criteria. Driver surveys were also conducted to collect input from drivers and independent contractors working with the fleets.

For additional information on the Best Fleets to Drive For program, follow the hashtag: #BestFleets21 on social media or visit www.bestfleetsto-drivefor.com.

What is the SDTA Safety Management Council?

The SDTA Safety Management Council consists of a group of like-minded safety professionals who meet at the SDTA office every third Tuesday of the month for a free lunch and an informative meeting.

The Council provides the opportunity for attendees to bounce ideas off of each other. It's a chance to share experiences and to talk about what has worked or hasn't worked within the industry. The group also votes on the following month's Driver of the Month.

Even if you are not able to attend the meeting in person, we offer the option to join in via Zoom. Minutes are taken at the meeting and disbursed to all Council Members.

We often have guest speakers. The January meeting will have Dr. Rick Carlson, LPC, CEAP, DOT-Qualified SAP, EAP Manager, Avera Behavioral Health to talk to the group. He plans to discuss the affect CBD products has had on the trucking industry.

We strongly encourage your participation in this group. It's a great way to stay proactive in the industry.

SDTA Safety Management Council's Schedule of Annual Dues:

Minimum membership dues for one company member:	\$50
Each additional company member:	\$20
Example: Membership for three company representatives:	$\$50 + \$20 + \$20 = \90
